

## Training activities for CHBG staff. Cochrane colloquia and board meetings

### CHBG Editorial team staff is being trained at:

**Cochrane colloquia.** Cochrane holds annual conferences, known as 'Colloquia', which are open to everyone. CHBG Editorial Team staff attends the colloquia in order to learn, be trained in and updated with the latest methodology of Cochrane systematic reviews and various administrative tasks. The colloquia are the place where people meet to share thoughts, gain knowledge, share experience, and make plans for future work. CHBG editors and review authors also attend the colloquia.

Participants: DN (Dimitrinka Nikolova); Sarah Louise Klingenberg (SLK); Christian Gluud (CG)

- **2014**
