

Attachment: 2.1.5 - 3 - Christian Gluud - Teaching activities by CG, other CTU or CHBG staff, CHBG editors.docx

## Teaching activities by Christian Gluud, other Copenhagen Trial Unit or Cochrane Hepato-Biliary Group staff, as well as Cochrane Hepato-Biliary Group editors.

**Courses/workshops/meetings/exhibitions that were organised by the Cochrane Hepato-Biliary Editorial Team (ET) office staff, alone or with other national or international collaborators, at home or abroad, or/and at which Cochrane Hepato-Biliary Editorial Team office staff delivered presentations.**

### 2014

1. Copenhagen Trial Unit's one-day course: Introduction to systematic reviews. 27.01.2014, 9.00-16.00. CTU.  
Organised by The Copenhagen Trial Unit (CTU), The Cochrane Hepato-Biliary Group, Rigshospitalet, Copenhagen, Denmark.  
Christian Gluud (CG) presentation: Introduction to evidence-based clinical practice.  
Jane Lindschou (JL) presentation: Introduction to the Cochrane Collaboration.  
Sarah Louise Klingenberg (SLK): Search strategy  
Janus Christian Jakobsen (JCJ): Protocol – design and preparation.
2. The Danish Health Authority meeting. 14.03.2014.  
CG. Is the current clinical development system optimal?
3. Drug Information Association (DIA) meeting. 26<sup>th</sup> Euro meeting Vienna, Austria. 25.03.2014 –27.03.2014.  
CG: The effect of the European Medicines Agency's Proposal on the Disclosure of an Innovator Company's Regulatory Dossier Data and Clinical Trial Data on publications in medical Journals.
4. Meeting for planning the D-Vine Trial (a randomised, multicentre, placebo-controlled, superiority ECRIN trial of supplementary vitamin D3 versus placebo on mortality in ambulatory elderly participants with vitamin D insufficiency). February 25, 2014  
Place: Mario Negri Institute, Milan, Italy  
Presenters: CG and JCJ.
5. ECRIN/ECRAN meetings. 19.05.2014 – 21.05.2014  
ECRIN (European Clinical Research Infrastructure Network) Annual Meeting. 19.05.2014. Neumünster Abbey, Luxembourg  
Presenters: CG chair for international Clinical Trials' Day.
6. Educational meeting organized by Biopeople - Denmark's Life Science Cluster (the National Innovation Network in Bio- and Life Sciences): 18.08.2014. Go home meeting: Why shall patients be involved in research and development of new and better treatments of diseases?  
Place: Benzon Auditoriet, Universitetsparken 2, Copenhagen, Danmark

Attachment: 2.1.5 - 3 - Christian Gluud - Teaching activities by CG, other CTU or CHBG staff, CHBG editors.docx

- CG lecture: How can patients contribute to the preparation of protocols for clinical trial?
7. The 'Association of professors' meeting: August 18, 2014.  
CG lecture: Research design and the pyramid of evidence.  
Place: Bispebjerg Hospital.
  8. Danish Endocrine Society meeting.  
Bianca Hemmingsen and CG and Jørn Wetterslev (JW). Influence of glycemic control on quality of life of patients with type II diabetes. A Cochrane systematic review.  
Place: Bispebjerg Hospital.
  9. SafeBoosC meeting. 22.09.2014.  
Presenters: CG and JCJ. Death or brain injury at term and Innovation in design and interpretation of research.  
Place: The Rigshospitalet.
  10. Basic residential course: 8.10.2014-11.10.2014. "Diagnosis and prognosis: clinical and research problems".  
Place: Palazzo Feltrinelli, Gargnano, Lago di Garda, Italy.  
Organised by Centro Interuniversitario "Thomas C. Chalmers and Alessandro Liberati" – Italy; Università degli Studi di Milano; The Multiple Sclerosis and Rare Diseases of the CNS Group; The Copenhagen Trial Unit (CTU), The Cochrane Hepato-Biliary Group, Rigshospitalet, Copenhagen, Denmark.  
Tutors: Dimitrinka Nikolova (DN) and CG from The CHBG ET office.
  11. CG's LETTER: To all European Ministers of Education; European Heads of Schools; European Teachers; and Parents. Re.: Introduction to clinical research as part of the school education for all European school pupils for three consecutive years around the ages of 14, 15, and 16 years.  
(<http://www.ecranproject.eu/en/content/europe-open-letter-education>)
  12. Two-hour lecture at the Department of Public Health, Copenhagen University.  
15.12.2014  
CG. Evidence-based clinical practice.
- 2015
1. ECRIN's celebration of the International Clinical Trials' Day 2015. Date: 21.05.2015  
Place: Britannia Hotel - Dronningensgate 5, Trondheim, Norway.  
Presenter: CG. "Why are we here today (lecture)."  
Poster: Transparency and registration in clinical research in the Nordic countries. (with CG's participation)
  2. Dutch Evidence-based medicine course (14.06.2015 – 16.06.2015).  
Place: Radboud University Nijmegen Medical Centre

Attachment: 2.1.5 - 3 - Christian Gluud - Teaching activities by CG, other CTU or CHBG staff, CHBG editors.docx

Organised by: Mr Cornelis JHM van Laarhoven, Professor of Surgery, Head of the Department, Radboud University Nijmegen Medical Centre  
Tutors: CG; and CHBG editors.

3. Cardiology meeting, Rigshospital. 03.09.2015.  
Place: the Rigshospital.  
Presenter/Tutor: CG. Clinical research and the evidence pyramid.
4. Haematology conference (Dagens Medicin). 31.09.2015.  
Place: Copenhagen.  
Tutors: CG: Transparency within haematologic clinical research.
5. Diagnostic accuracy studies: clinical and research challenges. 20.09.2015 – 23.09.2015. (Planned and prepared but had to be cancelled).  
Place: Palazzo Feltrinelli, Gargnano, Lago di Garda, Italy.  
Organised by Centro Interuniversitario “Thomas C. Chalmers and Alessandro Liberati” – Italy; Università degli Studi di Milano; The Copenhagen Trial Unit (CTU), The Cochrane Hepato-Biliary Group, Rigshospitalet, Copenhagen, Denmark.  
Tutors: DN and CG from CHBG ET office.
6. Workshop. Clinical trials for rare diseases: Exploring synergies between ECRIN and Orphanet networks. 27.10. 2015.  
Place: Paris, France  
Tutor: CG
7. PHARMA Workshop. Clinical Pharmacology and Biostatistics. 26.10.2015 - 29.10.2015  
Place: Institute of Pharmacology, Copenhagen, Denmark  
CG tutor for three lectures: Randomised clinical trials. Introduction and concepts. Meta-analysis. And Is the current development system suitable?
8. Danish Health Authority. 02.12.2015.  
CG. Evidence-based clinical practice.
9. ECRIN (European Clinical Research Infrastructure Network) meeting. 07.12.2015 – 08.12.2015. ECRIN support to independent, multinational clinical trials in Europe  
Place: Ministry for Higher Education and Research. 25 rue de la Montagne Sainte-Geneviève, Paris 5e, Luxembourg RER B, Amphithéâtre Poincaré, Bat. Foch, Ground floor  
CG. Common key barriers to the conduct of all types of randomised clinical trials in rare diseases and CG moderator of session on communication with patients.
10. Course and workshop on evidence-based medicine. 11.12.2015 – 13.12.2015.  
Place: School of Medicine, University of Rijeka, Rijeka, Croatia.

Attachment: 2.1.5 - 3 - Christian Gluud - Teaching activities by CG, other CTU or CHBG staff, CHBG editors.docx

Organisers: Croatian Society of Gastroenterology; Cochrane Collaboration Hepato-biliary Group, Copenhagen, Denmark; School of Medicine, University of Rijeka; Croatian Society for Quality Improvement in Health Care.  
Tutors: CG; JCJ; CHBG editors

## 2016

1. Nordic Trial Alliance meeting. 26.02.2016  
Place: Oslo, Norway  
Presenter: CG: Nordic clinical research transparency and registration.
2. ECRIN meeting CORBEL: Multi-stakeholder taskforce. Sharing patient-level clinical trial data. 3 and 4<sup>th</sup> of March 2016.  
Place: Paris, France.  
Participant: CG.
3. Danish Society for Clinical Nutrition (DSKE) meeting. 08.04.2016. 25<sup>th</sup> yearly meeting in clinical nutrition. Place: Rigshospitalet, auditorium 2  
Presenter: Joshua Feinberg. Nutrition support in hospitalised adults at nutritional risk. A Cochrane review with meta-analysis and trial sequential analysis.
4. STRIDER meeting. 28 and 29 April 2016  
Place: London  
Participant: CG.
5. Personalised medicine meeting. ECRIN meeting. 2 May 2016  
Place: Brussels, Belgium  
Presenter: CG.
6. ECRIN 2016 celebrations of The International Clinical Trials Day. 20 May 2016.  
Place: Prague, The Czech Republic  
Chair: CG Personalised medicine.
7. Danish Diabetes Academy Annual Day. 1 November 2016.  
Place: Sinatur Hotel Storebælt, Østerøvej 121, DK-5800 Nyborg  
CG: Transparency and translation of clinical research: the significance for clinical practice.
8. Evidence-based medicine course. 8 September 2016.  
Place: Institute for Social Medicine and Epidemiology. Lübeck, Germany  
CG: The evidence-based hierarchy of studies for health-care interventions – and the threats to their validity.
9. Copenhagen University. 25 November 2016.  
Place: Kommunehospitalet.  
CG: Two lectures on evidence based-medicine.

Attachment: 2.1.5 - 3 - Christian Gluud - Teaching activities by CG, other CTU or CHBG staff, CHBG editors.docx

## 2017

1. Bristol Meta-analysis Workshop. 13.11.2017 – 14.11.2017. Cochrane meta-analysis updating project meeting.  
Place: University of Bristol, Bristol. UK  
Talk and discussion: 'For and against sequential updating' 14.11.2017. CG and Jonathan Sterne. Julian Higgins (chair)
2. Basic residential course: 04.04.2017 – 08.04.2017. DIAGNOSIS: the pathway of a diagnostic test from bench to bedside.  
Place: Palazzo Feltrinelli, Gargnano, Lago di Garda, Italy.  
Organised by Centro Interuniversitario "“Thomas C. Chalmers and Alessandro Liberati” – Italy; Università degli Studi di Milano; The Multiple Sclerosis and Rare Diseases of the CNS Group; The Copenhagen Trial Unit (CTU), The Cochrane Hepato-Biliary Group, Rigshospitalet, Copenhagen, Denmark.  
Tutors: DN and CG from CHBG ET office.
3. The Danish Parliament.  
CG participant in a meeting for funding of clinical research.
4. NorWHO meeting. 31.07.2017 – 4.08.2017  
Place: United Nation City, Copenhagen  
CG: Antioxidant supplements and mortality. Results of a Cochrane systematic review.
5. Hillerød Hospital. Inventing for Life. Thematic day on treatment of bacterial infections and antibiotics. 11.08.2017.  
Place: Konferencenteret Pharmakon, Milnersvej 42, Hillerød.  
Presenters: CG (Clarithromycin som sekundærprofylakse til patienter med koronar hjertesygdom: det randomiserede, pla-cebo kontrollerede CLARICOR forsøg); Naqash Javaid Sethi (NJS) (CTU) (Clarithromycin som sekundærprofylakse til patienter med koronar hjertesygdom: det randomiserede, placebo kontrollerede CLARICOR forsøg)
6. Italian meeting. 05.10. 2017.  
Place: Mario Negri, Milan, Italy
7. Greta Castellini: Trial Sequential Analysis project.  
CG: Risks of random errors in randomised clinical trials and how to control them.
8. Internet presentation on Trial Sequential Analysis. 10.10.2017 (13:00 to 15:00)  
Participants: Editors of the Cochrane Anesthesia Group.  
Tutors: CG; Jørn Wetterslev (JW).
9. Internet presentation on Trial Sequential Analysis. 12.10.2017 (10:00 to 12:00)  
Participants: Editors of the Cochrane Anesthesia Group.

Attachment: 2.1.5 - 3 - Christian Gluud - Teaching activities by CG, other CTU or CHBG staff, CHBG editors.docx

Presenters: CG; JW.

10. Pharmacology workshop. Clinical Pharmacology and Biostatistics.  
06.11.2017- 07.11.2017  
Place: Copenhagen University, Institute of Pharmacology.  
CG: Randomised clinical trials. Introduction and concepts; Meta-analysis; and Is the current development system suitable?
11. Evidence-based medicine course and workshop. 15.12.2017 – 17.12.2017  
Place: Rijeka, Croatia.  
Organised by Davor Stimac (Croatia), Goran Poropat (Croatia), Goran Hauser (Croatia), and Christian Gluud (Denmark)(all of them, CHBG editors). This workshop is run for a second time.  
Tutors: Naqash Sethi (NS), JCJ, CG from The CHBG ET office.

## 2018

1. Best of EASL. XXIII international Russian congress “Hepatology today”.  
Moscow. 23.03.2018 – 26.03.2018. CHBG clinical symposium.  
Place: Moscow, Russia.  
Organised by the Russian Scientific Liver Society and EASL.  
Tutors: DN; CG. Lise Lotte Gluud (CHBG editor from Denmark) and Chavdar Pavlov (RU).
2. London. 4 and 5 April 2018.  
Meeting for IMPROVED investigators.  
Participants: CG and Per Winkel.
3. CHBG exhibition during EASL. 12.04.2018 – 14.04.2018, Paris, France  
CHBG presentation ‘Chronic hepatitis C. Direct-acting antivirals for chronic hepatitis C review (available from the Cochrane Database of Systematic Reviews 2017, Issue 9. Art. No.: CD012143. DOI: 10.1002/14651858.CD012143.pub3’ during the “Critical reflection on landmark papers 2017” session. 13.04. 2018 from 17:30 to 18:00.  
Presenter: CG. Opponent: Jean-Michel Pawlotsky (FR).
4. Cochrane Colloquium (16.09.2018 – 18.09.2018) ‘Cochrane for all - better evidence for better health decisions’.  
Place: Edinburgh, UK  
CG: Assessing imprecision in Cochrane systematic reviews: a comparison of GRADE and Trial Sequential Analysis.
5. SafeBooSC investigator meeting.  
Place: Copenhagen.  
Participants: CG and JCJ.
6. Copenhagen University. 30.11. 2018.  
Place: Kommunehospitalet.  
CG: Evidence-based clinical practice – two lectures.
